

SPEAKING

Your teacher has asked you to do a collaborative project on **a popular holiday, tradition or ceremony of a foreign country** and present your project to the class.

Send a voice message to your classmate (**4-5 minutes**). In the message:

- suggest a holiday / tradition / ceremony;
- explain why this particular cultural event will be most interesting to work on (2 reasons);
- tell your classmate what you know from the history of this event and mention some interesting facts (2-3 interesting facts);
- describe how you are going to prepare and explain what you will need to make your performance most informative, vivid, and engaging (costumes, music, food, etc.);
- ask your classmate's opinion and invite him / her to discuss the ideas later.

Remember to

- use the appropriate style
- present your ideas in a logical and coherent way
- speak continuously, do not read your notes

You now have **3 minutes to prepare your voice message**.
