

2.2.1.2. Устный тур

Speaking (стоимость задания – 20 баллов)

Student 1

You have **5** minutes to get ready.

Make a monologue on the following:

There is an ongoing debate about which schools provide better opportunities and education -- state or private. There are benefits and disadvantages in both. Which do you choose? What's your opinion?

Remember:

6. You are the **first** to speak.
7. You have **2 – 2,5 minutes** to speak.
8. Express your opinion, give reasons and be convincing.
9. After you finish, your partner will ask you **2** questions.

10. Listen to your partner and ask him/her **2** questions which **have not** been covered by his/her monologue.

Student 2

You have **5** minutes to get ready.

Make a monologue on the following:

Some students wish to complete their studies in their home country, while others want to experience studying abroad. There are benefits and disadvantages in both. Which do you choose? What's your opinion?

Remember:

6. Listen to your partner and ask him/her **2** questions which **have not** been covered by his/her monologue.
7. Present your monologue.
8. You have **1,5-2 minutes** to speak.
9. Express your opinion, give reasons and be convincing.
10. After you finish, your partner will ask you **2** questions.
