### HOLIDAY ARRANGEMENTS

#### Transcript

**A = Travel Agent B = Client**

**A** Good morning. Can I help you?

**B** Yes, I wonder if you can give me some information about Crete as a place to go on holiday?

**A** Of course, what would you like to know?

**B** Well, I've looked through several brochures and I've picked out four hotels which are about the same price and which sound quite nice. But there's not a lot of information in the brochure and I wondered if you could tell me anything more, because I don't want to end up in a hotel near a discotheque, or where you have to walk five miles to the beach either!

**A** Right. Well, we have a gazetteer that'll be able to tell us that.

**B** A what?

**A** A gazetteer. It's a book which lists all the hotels and describes them, you know. It's supposed to tell the truth. Let me just go and get it!

**B** Oh, great.

**A** Now, which hotels were you interested in?

**B** Let me see, the first one's called the Concord.

**A** The Concord, right.

**B** I wondered what sort of building - is it an old style or what?

**A** Yes, here it is - the Concord. Let's see what it says - a pleasant three-storey building - so it's probably an older type of building, yes. It's about five minutes' walk from the centre of town and a little less from the harbour. Quite a good situation.

**B** Does it say if it's near the beach?

**A** Yes. It says it has a terrace at the rear which leads directly on to a beach of sand and rock.

**B** So I wouldn't have to cross a road to get to the beach?

**A** No, it leads directly on to the beach, so there's no problem.

**B** That's fine then. Another one was called the Royal.

**A** The Royal. Right, yes.

**B** Yes, that one said that there was a discotheque nearby. I was quite worried about that.

**A** Right. Let's see what this one says. Yes. It's a three-storey building again, but a modern one. It says it has a curved front. It's also got a good-sized swimming pool and a discotheque situated well away from the bedrooms. So you're not going to be disturbed at night too much.

**B** Does it say where it is?

**A** Yes. On a cliff top with steps leading down to a pebble beach. Good bus service to the town centre - so it's obviously a bit out of town.

**B** Steps down to the beach - well they should keep me fit, I suppose. Fine. Alright. Let's try another one. The Atlantic.

**A** The Atlantic - strange name for Crete!

**B** Yes. That one said it was on a main road. That could be noisy, couldn't it?

**A** Definitely. Right. It's described as a brightly decorated, simple hotel, one of a number recently built alongside the busy main road. There's a picture of it here - look. There are some trees in the front garden which would help to screen it from the road but I'm afraid you're bound to get some traffic noise. It says there's a poor beach opposite but a better one ten minutes' away. So ...

**B** Well, ten minutes doesn't sound too bad but I don't like the idea of traffic noise. The last one I wanted to ask you about is called the Plaza.

**A** Right. That's described as a long low building standing high above the main road with an entrance up a steep slope. It's obviously not suitable for elderly or disabled people then. All rooms have balconies and excellent views over the bay. Just a few houses and villas nearby. Hotel transport to the beach.

**B** That sounds alright. And ... did it say every room had a balcony?

**A** All rooms have balconies.

**B** Oh, marvellous! But do you think it would be noisy?

**A** Well, it says standing high above the main road. So, no I don't think noise would be too much of a problem.

**B** That's fine then. Now would you be able to give me the price of a flight only?

**A** Yes, certainly. Let me just get one or two of our flight-only brochures. Right. They have various flights on Fridays and Tuesdays. Now, when do you want to go?

**B** About the third week in July.

**A** About the third week. So we're looking at the twenty-first. Tends to be one of the most expensive times to go because that's when the schools break up. Anyway, they go ... they range from £159, all the way up to £191. And that really depends on the flight times.

**B** OK. And is it advisable to have travel insurance?

**A** Definitely.

**B** How much would that cost?

**A** Roughly... Well, I can get a leaflet. Hold on. Well, this one... covers you very well. It's the most comprehensive policy. And up to two weeks - it's £14.25. This other one we use mainly for students and it doesn't actually cover for cash loss. It's a bit cheaper, though, and that's £10.80.

**B** Well, thank you very much. That's very helpful. Can I think about it and perhaps call in tomorrow morning?

**A** Yes. No problem. We're open from 9 till 4 so just pop in any time and we'll see what we can do.

**B** Right. Thanks very much. Bye.

**A** OK. Thanks. Bye bye.
